---

[Click Here](#) to begin.

Click “Create Proposal” to create a login. If you have already created an account, enter your login information in the “Manage Existing Proposal” section. If you are submitting on behalf of a speaker(s), you should create a log in. You will be asked for speaker information later in the process.

**Proposal Requirements:** The following is a list of all of the elements that will be required to successfully complete a submission. *Note: Limit four submissions per speaker.*

### Workshop Title:

- Workshop titles cannot exceed 54 characters (including letters and spaces). Please be certain that an attendee could discern the content from the title.

### Event

- SEMA Show, PRI Show, submit for both shows.

### Seminar Format:

- Single, Co-Presenter, Panel (maximum 5 in total)

### Description and Details:

- **Track:** Select the track that best aligns with your topic
- **Duration:** Select 60, or 90 minutes
- **Target Audience:** Who will best benefit from attending your session. For example; job type, industry sector, experience level, etc.
- **Objectives and/or Takeaways:** What will the audience be able to apply to their line of work after attending your seminar.
- **Session Description:** Provide a summary of your session. Cannot exceed 350 characters.

Once all of the above requirements have been filled out. You will see a green checkmark that confirms you've completed the section.

**Note:** After completed you can make edits to the Description and Details by clicking on it.
