ABSTRACT SUBMISSION GUIDELINES

All abstracts must be submitted electronically via the official WAFIB abstract submission website. Paper abstract submissions will not be accepted.

NOTIFICATION AND TERMS OF ACCEPTANCE

Notifications of abstract acceptance or rejection will be e-mailed to the abstract submitter the week of December 1st. The submitter is responsible for relaying all correspondence to abstract authors. Authors whose abstracts are selected for poster display will be eligible for a registration discount of 50% off for the first author and 25% off for subsequent authors. Details concerning poster submission and registration discounts will be provided in the acceptance notification.

If accepted, authors must notify WAFIB of their participation by e-mailing Liz Minor at lminor@hmpglobal.com and registering for the meeting.

Please note: WAFIB will not hold or guarantee space for poster displays until notified of the author's participation.

IMPORTANT NOTES FOR SUBMITTERS

Abstracts must include the following parts:

- Purpose
- Material and Methods
- Results
- Conclusions

Do not re-enter the abstract title or the authors' names/institutions in the text portion of the submission.

- Do not enter images or tables in the text portion of the submission.
- The final abstract length cannot exceed 2,500 characters total.

All accepted abstracts will be displayed as virtual posters in the WAFIB exhibit hall. Poster Presenters are responsible for producing, printing and setting up their own poster on site. The poster size should be no larger than 8' wide x 4' high (243 cm x 121 cm). The orientation for posters is horizontal.

AUTHOR AND AFFILIATION INFORMATION

- The author list should be listed in the order that they should appear in program materials.
- List the complete name including a full first name, middle initials, last name, and credentials for each author, as it should appear in program materials. Please do not include author institutions, or contact information in the author list, or body of the abstract. If you enter author's institutions or contact information in the author list or abstract body, they will be removed.
- An author's name may appear on multiple abstracts, but if possible, they should appear exactly the same to assist with indexing of the abstracts.

REFERENCES

References are optional. Please **limit references to the 10 most pertinent citations.**

ABSTRACT TITLE

The abstract title should adequately convey the content of the abstract and should be entered using Proper Case. Please avoid use of abbreviations and do not exceed 120 characters, including spaces.

PRIOR PRESENTATION/PUBLICATION

Authors must affirm that if this abstract has been presented previously, the meeting location and date are identified. Abstracts previously presented, accepted for presentation, or submitted for presentation at any other meeting may be submitted for presentation. However, if another professional organization has publication rights to the work, the work cannot be submitted to WAFIB unless the author obtains a written waiver from the other professional organization.

NO-SHOW POLICY

On rare occasions, presenters scheduled to present their poster fail to show up and have not notified WAFIB of the change in plans. When presenters do not appear to present their poster, the planning efforts of the Abstract Committee in providing a quality program are diminished significantly, and there are significant cost implications. Staff will audit all posters for no shows and this may result in ineligibility for future WAFIB meetings.

WITHDRAWALS

Acceptance of the abstract by the review committee obligates the author to be present. If circumstances prevent attendance, the author must arrange for the poster to be presented by a substitute, preferably a co-author. If you wish to withdraw your abstract, you must submit your request in writing by **Monday, January 25, 2027** to Liz Minor at lminor@hmpglobal.com the abstract ID, title and first author. Failure to comply may result in ineligibility for future WAFIB abstract submissions as first author.
