

Given the quality and number of proposals that could not be included at Hospital Medicine 2019 (HM19), we encourage you to consider these additional ways to contribute your knowledge and expertise:

- Join an SHM [Chapter](#) or [Special Interest Group](#) as these communities are constantly looking for new content to provide to their members.
- Interested in becoming more involved? [Click here](#) to navigate through SHM committees that appeal to you and learn about engagement opportunities within SHM.
- Get Connected by through one of the following communication channels:
- Learn more about how to maximize your engagement with SHM Social Media by following one of our communication outlets listed here: [Facebook](#), [Twitter](#), [YouTube](#) and [LinkedIn](#).
- Read or share posts on [The Hospital Leader blog](#).
- Connect with fellow hospitalists on the [Hospital Medicine Exchange \(HMX\)](#), the online community exclusive to SHM members where you can join the conversation among hospitalists in 18 thriving HMX communities.

We hope to see you in National Harbor, MD in March 2019 and that you will consider submitting a proposal to future Hospital Medicine meetings.
