

GWIMS Steering Committee Member-at-Large

What are the activities and expectations of those positions?

The expectations for Steering Committee Member-at-Large positions include:

- Attend one two-day yearly Steering Committee meeting in Washington, D.C. (cost covered by AAMC). In the interim all meetings will be held virtually.
- Participate in monthly conference calls to discuss the work and direction of GWIMS.
- Attend the 2021 Learn Serve Lead AAMC Annual Meeting, and all annual meetings during term of service. Participate in and promote sessions relevant to the GWIMS membership. Typically held in Washington, DC, this year's annual meeting will be virtual (November 8-10, 2021).
- Participate actively via email and conference calls.
- Maintain visibility with and outside the GWIMS community through participation in various areas (e.g. GWIMS listserv, GWIMS Toolkit, presenting at group meetings).

What is the work of the Nomination Subcommittee?

After the deadline for nominations, the applications received will be reviewed and the slate of candidates determined. Before the voting period begins, each candidate will be contacted via email regarding whether their name will be appearing on the election ballot for Steering Committee. No more than two candidates will appear per open available slot as Members-at-Large (e.g. 6 nominees for 3 available spots).

Who can vote?

Voting is available to designated GWIMS representatives, in our records on the first day of the voting period. All designated GWIMS representatives vote on the nominees for Steering Committee Member-At-Large candidates.

When is the voting period?

Voting by electronic ballot will begin in June and will remain open until early July. All candidates will receive notice from GWIMS staff regarding their placement on the ballot in the weeks leading up to that time. Upon closing of the election ballot, all candidates will hear from the GWIMS staff regarding their election to the Steering Committee the week following.
