RULES AND REGULATIONS

Only one paper or poster may be read or presented by the same author at the Meeting, although a presenter may be a co-author of any number of papers. The material must not have been published prior to submission of the abstract or presented at any meeting prior to the date of presentation at the International Investigative Dermatology 2018 meeting. Simultaneous submission of the same abstract to other meetings is prohibited.

There is a limit of **2,300** characters for the text of your abstract submission (title, authors, institutions, abstract body and all spaces will be counted).

PUBLICATION OF ABSTRACTS

All abstracts will be published in the May 2018 issues of the Journal of Investigative Dermatology (JID) and Journal of Dermatological Sciences (JDS). The abstracts will also be available via links on the SID, ESDR and JSID websites approximately mid April 2018. Hard copies of the Program Book will be available at the meeting.

Abstract acceptance notification will be sent the week of February 12, 2018.

ABSTRACT FEE

The publication/processing fee is \$50 US and must be paid via the internet at the time of submission.

PRESENTATION

The IID 2018 Scientific Program Committee reviews all abstracts without knowing the identity of authors. All abstracts, including those selected for oral presentation, must be presented as posters.

NOTES ABOUT 2018 ABSTRACTS

- Unless indicated by initiating an opt-out, all abstract submissions to the 2018 Meeting will be considered for Oral Presentation.
- Submitters must choose both a primary category for their abstract, as well as a secondary category. Doing so will help the Scientific Program Committee have the flexibility (if needed) to put together the best possible meeting program.
- An electronic poster viewing system will be available as a companion piece to physical posters. Updates will be posted as they become available on the IID website.

TRAVEL FELLOWSHIP AWARDS

The Society for Investigative Dermatology (SID), European Society for Dermatologic Research (ESDR), and the Japanese Society for Investigative Dermatology (JSID), will be providing travel grants to offset costs associated with attending the IID 2018 Meeting in Orlando, Florida (May 16-19, 2018). These travel grants will be awarded by each society based on the applicant's country of origin. Further details regarding travel fellowships can be found online at www.iid2018.org.
