

# SUBMISSION CHECKLIST

Prior to submission, make sure you have all the items required for your presentation proposal. Be clear and concise when describing your session proposal. You'll need.

## Presentation information

- Title (*not to exceed 100 characters*)
- Proposal Summary (*not to exceed 4,000 characters—approximately 650 words*)
- Session Outline (How is your session broken down into time increments?)
- Three key learning objectives attendees will take away from the session (*not to exceed 1,000 character— approximately 150 words*). If your proposal is selected, these learning objectives will be used to promote your session.
- A short description that focuses on what the session will cover and what people will learn (i.e., What would you say to attract attendees to your session? If your proposal is selected, this description will be used to promote your session.) (*800 characters—approximately 75 to 100 words*)
- Audience Type (Is your session geared to career services practitioners or university relations recruiters from employer organizations?)
- Audience level
  - Emerging (minimal knowledge of topic)
  - Intermediate (basic to mid-level knowledge of topic)
  - Advanced (considerable experience with topic)
- Learning Track
