

CALL FOR ABSTRACTS for POSTER PRESENTATIONS

Fall National Neonatal/Advanced Practice/Mother Baby Nurses Conference VIRTUAL CONFERENCE September 10–12, 2020

SPONSORED BY THE ACADEMY OF NEONATAL NURSING

The Academy of Neonatal Nursing is seeking poster presentations to complement our line-up of expert speakers. In keeping with our theme of examining current practice, we invite you to submit a poster abstract. Clinical, case study, and research posters are welcome. The topics for these posters should be relevant to the purpose of the conference and the audience of neonatal nurses.

POSTER PRESENTATION GUIDELINES

- Log on to the [ANN Portal](#) to begin the submission process
- Complete the five required tasks and be sure and **Submit** after task completion
- A Conflict of Interest Form must be submitted by *all coauthors* (included in submission tasks)
- Posters must avoid any semblance of commercialism; those constituting promotion and advertising are prohibited.
- Each submission will be blind peer-reviewed by a minimum of three neonatal nurses.
- All presenters are required to register and attend the full conference.
- The poster hall will be virtual and available online only.
- Presenters are required to upload a PDF file of their poster
- Presenters are required to upload an audio file describing the content (instructions for recording will be provided)
- Attendees will earn contact hours for viewing and evaluating posters.

Innovative Programs: Describe a program implemented in your practice setting which addresses challenges in nursing practice, education, or administration in neonatal care.

Research: Describe original research or knowledge translation. Include a description of the following: Statement of the problem, conceptual framework (if applicable), literature review, methodology, and data analysis and interpretation.

Case Studies: Describe the infant's diagnosis, including incidence and etiology; an overview of the diagnostic process; management; discussion of outcomes; and implications for practice. The case discussion must comply with HIPAA regulations. The case must not be in litigation.

POSTER CONTENT GUIDELINES

As you prepare your poster for presentation, please keep the following guidelines in mind:

1. Ensure that the names and credentials of all authors are correctly spelled and listed in the correct order. The poster abstracts will be published in the Conference Proceedings section of *Neonatal Network*:® *The Journal of Neonatal Nursing*. Because abstracts are due before the conferences, we often refer to the poster itself to ensure we have the correct author(s) and credentials.
2. For research abstracts, be sure and include categories as outlined above.
3. Proofread your poster to ensure that each sentence makes sense and there are no spelling errors.
4. All presenters are required to register and attend the full conference

DEADLINE

Abstracts for poster presentations are due **July 31, 2020**.
