Powered by
ASPB
plantbiology.aspb.org

Welcome to the Plant Biology 2017
Submission Site

Plant Biology 2017 will feature five major symposia, large poster sessions (mid-day and late afternoon), 30 concurrent symposia, and select 2 minute lightning talks comprised primarily of speakers selected by the Program Committee from abstracts submitted prior to January 30th, 2017. Poster presenters selected to give concurrent talks are requested to also bring a poster, because attendees cannot attend each concurrent session but interest in the presented material remains high.

Abstracts should be submitted in the text box provided in a subsequent step in this process. Submissions cannot be over 300 words and may not include any graphics or tabular material. You do not have to be an ASPB member to submit an abstract.

Please note that a $25.00 nonrefundable abstract submission fee is required for each abstract submission. A payment confirmation code, obtained once the abstract fee has been paid, will be required during the submission process. If you have not already done so, click here to pay the abstract submission fee.

After starting this submission, your work is saved each time you click a Save or Continue button. If you log back in you can start where you last saved your work. To preview the submission process, please click here.

8) Guidelines for Submission

GUIDELINES FOR SUBMISSION

Continue

Please read and agree to the below terms and conditions

1 Terms & Conditions *

- A $25.00 nonrefundable fee is required for each abstract submitted.
- Individuals who submit a poster abstract must also register for the meeting or their poster will not be included in the meeting program. Individuals selected to give a concurrent-session talk are VERY STRONGLY requested to also bring a poster to the meeting, so that all attendees (not just those who attend the talk) can learn about the work.
- January 30, 2017 is the deadline for abstracts to be submitted for Concurrent symposium or lightning talk consideration.
- To ensure listing of the abstract in the online program and receive a poster number, presenters must complete abstract submission and conference registration by May 24th, 2017.
- June 12, 2017: Deadline for late abstract submissions to be included in the app. These posters will not receive a poster number and spots are first come, first served. Primary poster presenters MUST also be registered for the conference. This will be the LAST DAY to submit an abstract. Abstracts will not be accepted after this deadline.

☐ I have read and agree to the above terms and conditions.

2 Please indicate whether or not you are currently a member of ASPB.

(Click here to become a member.) *

Select one ... ▼

3 Poster Required *

☐ I understand that I am still expected to bring a poster if my abstract was chosen for a concurrent session talk or lightning talk. Posters are optional only for Major Symposium speakers.

4 Concurrent Symposium Consideration

☐ I would like my abstract to be considered for a Concurrent Talk.

5 Lightning Talk Consideration

☐ I would like my abstract to be considered for a 2 minute Lightning Talk.

6 If this abstract is to be considered for a Concurrent Symposium or Lightning Talk, please indicate the career level of the individual that will be PRESENTING

Please note that this information will be not be publicized. This will be for ASPB's internal use and data gathering only.

Select one ... ▼

7 If you selected 'Other' in the previous question, please describe below.

[   ]

8 Was the research included in this abstract directed by a faculty member from a primarily undergraduate institution (ie one which grants few PhD's in the sciences)? *
