

POSTER PRESENTATIONS & OTHER IMPORTANT INFORMATION

ELEVATE 2021 DATES/LOCATION

Psych Congress Elevate will be held **VIRTUALLY** June 11-13, 2021

ROLLING ACCEPTANCE

- Once you have submitted a poster submission, you will receive an email on whether your poster was accepted or not **two (2) weeks** after you submitted.

PRESENTATION DETAILS

- Accepted presenters will be required to upload their poster to the virtual hall
- Presenters will have the option to record a short oral presentation to accompany their digital poster so attendees can learn more detailed information.
- Title and author name(s) must be clearly labeled on the poster.
- Disclosure: Accepted posters must acknowledge financial support or assistance for the research at the time of presentation. If your discussion includes the use of products for which they are not labeled (ie, off-label use), you must disclose this fact at the time of presentation.
- Poster presentations are to be non-promotional/non-commercial and should not contain brand/proprietary drug names or commercial logos/names.
- NACCME does not retain the copyright to any posters presented at Psych Congress Elevate.
