## **ORAL/PODIUM PRESENTATIONS – SPRING 2022**

### **Oral Abstract Presentations**

Podium presentations will feature the highest-scoring abstracts submitted to SAWC. Primary contacts of these abstracts will be notified of selection for Oral/Podium presentation by the acceptance/decline deadline.

A minimum of four (4) submissions will be selected for podium presentation, including a minimum of one (1) Young Investigator. Each author will have 12 minutes to present key results of their research, followed by 2 minutes for Q&A time with the audience, animated by the experts chairing the session.

Abstracts selected for podium presentation will be notified individually. Podium presenters are also invited to present their abstract, in poster form, during the poster session if they desire.

These podium presentations will be held during the SAWC Oral Abstract sessions on Friday, April 8, 2022 at 9:15 AM – 10:15 AM and 10:30 AM – 11:30 AM.

*\*\*Please Note: Abstracts with a preference for “oral only” will not be given special consideration. If the abstract is not selected for a podium presentation, the abstract will automatically be declined.*

### Conversation with the Authors

Many attendees have expressed that they enjoy the opportunity to converse with poster authors. However, we also recognize that your time is valuable and attending all the poster sessions can be burdensome to your schedule. Therefore, we are requesting that all presenters be available to present their poster(s) during the **SAWC Spring/WHS Poster Reception and Awards Ceremony, held on Friday, April 8, 2022, from 7:00 PM – 8:30 PM.** You are, of course, more than welcome to be present at all poster sessions.
