

Welcome to the 2024 AES Annual Meeting Abstract Submission Site

Use the Abstract Scorecard to submit your abstract and provide your contact information.

Remember, AES members and customers use their existing MyAES username and password to log into the Abstract submission site. If you've forgotten your login or password, please [click here](#) to have the credentials emailed to you.

If you're new to AES and do not have an account, you will create an account on the next page.

If you are having difficulty creating an account, please navigate to the AES home page and click on the LOGIN button. Then click CREATE USER. Once your account is created, you can log back in and submit your abstract.

ABSTRACTS (You have 0 complete abstracts, 0 incomplete abstracts, and 0 withdrawn abstracts)

As the world's largest educational and scientific event for epilepsy professionals, the AES Annual Meeting is an ideal venue for clinicians and scientists to present research results to a global audience.

Authors will have the opportunity to present their research live in Los Angeles AND upload an ePoster to the virtual poster gallery for attendees to view for up to 90 days after the conference.

The submission site will close on June 10 at 12:00 PM (noon) PT

Please keep in mind that there are many submissions on the last day. Allow 1 hour prior to this deadline to enter and complete your submission.

Abstract submission fees are **non-refundable** and include the following:

Abstracts submitted on or before June 3 will be subject to a non-refundable processing fee of \$60 for AES members and \$90 for non-members.

Abstracts will be accepted June 4 – June 10 for an increased processing fee. These fees are \$120 for AES members and \$180 for non-members.

Information on the abstract guidelines can be found here: [Abstract Submission Guidelines](#).

As the submitter, you will be **required to provide institution, credentials, and email information for all presenting authors and co-authors.**

- Full contact information is required for the presenting author.
- Only one abstract per presenting author is allowed. Multiple submissions of similar material from an institution, consortium or study group are not allowed. In cases where multiple similar submissions are planned, authors should combine their materials into a single, cogent abstract
- The presenting author must acknowledge that all authors have read and agreed with the content of the abstract submitted for the 2024 AES Annual Meeting.

ALL COMMUNICATIONS WILL GO TO THE PRESENTING AUTHOR. PLEASE BE SURE THE EMAIL IS VALID THROUGH DECEMBER 2024. As the presenting author for this abstract submission please note you will be the **ONLY** person that AES communicates with about this submission. It is your responsibility as the contact to communicate with the other authors throughout this process.

You may be the presenting author on only one abstract.

To add an author:

- Type the author's first name, last name, email address, and role. Please note, there can only be one presenting author role. All other authors will have the author role.
- Click 'Add Author.'

To complete an author's profile:

- Click on the author's name to complete the profile.
- A **green check mark** indicates a complete profile.

Demographic Information:

- While in the **Author's Profile** please answer a few demographic questions. This data will help us plan for the future.
- Once the profile is complete, click 'Save Author' to complete the task.

Form Completed

This form is complete, but you can continue to update it. If you make changes, don't forget to re-submit by clicking the "Save" button.

At AES, we strive to be all inclusive and representative of the entire epilepsy community. As part of these efforts we are hoping to better understand the makeup of our membership. You are not required to answer any or all of the questions below. Any answers will be strictly confidential and will not influence abstract selection.

For explanations of each category, please refer to the [NIH guidance](#) on racial & ethnic categories and definitions.

* Indicates a required field

1

How do you identify your gender? Please leave blank if you prefer not to answer.

- Man
- Woman
- Non-binary or other

2

With which of the following categories do you most closely identify? Please check all that apply or leave blank if you prefer not to answer. For explanations of each category, please refer to the [NIH guidance](#) on racial & ethnic categories and definitions.

- American Indian or Alaska Native
- Asian or Asian-American
- Black or African American
- Hispanic, Latino, or Spanish origin
- Native Hawaiian or Other Pacific Islander
- White

3

Do you have a disability as defined by the Americans with Disabilities Act? Please leave blank if you prefer not to answer.

- Select one -

4

Would you be interested in presenting your work at an additional poster session during the AES 2024 Annual Meeting to highlight and celebrate the work of professionals who identify with or investigate underrepresented members of the epilepsy community? Your answer will not influence abstract selection for the regular programming and abstract awards.

AES will offer an additional poster session to celebrate the value of diversity in both the workplace and the patient community. This session will provide medical students and fellows with an extra opportunity to showcase their work. It will be an additional opportunity, not a replacement, for the regular programming for postdoctoral students and authors would otherwise be offered. This session will take place on Sunday, October 27th at 11:30-1:00 PM.

- Select one -

5

Would you like to be considered for the Partners Against Mortality in Epilepsy (PAME) Poster Session prior to the AES Annual Meeting on December 5, 2024?

Abstracts accepted for this poster session focus on SUDEP, sleep, cardiac or respiratory function, and other causes of epilepsy-related mortality.

Grass Foundation Young Investigator Award *

This award recognizes and honors outstanding young investigators conducting research in basic or clinical neuroscience related to epilepsy. The Grass Foundation and AES combine resources to provide awardees with a \$1,000 travel stipend and complimentary meeting registration.

These awards are supported in part by the Grass Foundation.

Are you interested in applying for this award?

Jack M. Pellock Award in Pediatric Excellence *

The Jack Pellock Award for Pediatric Excellence recognizes and honors two outstanding young investigators conducting clinical research in pediatrics related to epilepsy. Awardees receive a \$1,000 travel stipend and complimentary meeting registration.

These awards are supported by the Jack M. Pellock Pediatric Travel Fund.

Are you interested in applying for this award?

Nurse and Advanced Practice Provider Abstract Awards *

These awards recognize and honor outstanding young investigators with nursing and/or advanced practice degrees who are conducting epilepsy research. Awardees receive a \$1,000 travel stipend.

Are you interested in applying for this award?

Suzanne and Peter Berry International Abstract Award *

To recognize and honor young investigators doing research in clinical neuroscience related to epilepsy in Asia, Africa, Oceania, Middle East or Latin America by supporting travel to present research at the Annual Meeting of the American Epilepsy Society. Awardees receive a \$1,000 travel stipend and complimentary meeting registration.

These awards are supported by the Suzanne and Peter Berry International Travel Award Fund.

Are you interested in applying for this award?

Young Investigator Award *

This award recognizes young investigators conducting basic, translational, or clinical epilepsy research. Awardees receive a \$1,200 travel stipend.

Are you interested in applying for this award?

Kimford J. Meador Research in Women with Epilepsy Award *

This award recognizes an AES member who has done important and recently published research which advances the care of women with epilepsy. Awardees must attend the AES Annual Meeting and the award will be presented in either the Pregnancy Outcomes SIG or Women's Issues in Epilepsy SIG. Further details will be provided to the awardee closer to the Annual Meeting. Awardees receive a \$1,000 travel stipend.

This award is supported by My Epilepsy Story.

Are you interested in applying for this award?

Continue

If you stated that you were interested in applying for any of the awards mentioned in the previous task, please use the upload slot below to submit your required letter. If you are applying for more than one award, you may upload one letter that will cover all the awards. Acceptable file types include: .doc, .docx, .pdf.

[Click here](#) to view the awards criteria.

If you are not interested in applying for any awards, simply click the "I am not interested in applying for any awards." option below to continue.
