2023 CALL FOR ABSTRACT REVIEWERS

The American Academy of Nursing (Academy) is seeking Abstracts Reviewers for the 2023 Health Policy Conference:

Celebrating 50 Years of Leadership, Policy, and Partnerships

Conference to be held at the Marriot Marquis in Washington, DC from October 5 -7, 2023

Conference Purpose

The American Academy of Nursing celebrates 50 years of advancing health through leadership and policy. This conference will demonstrate the power of the Academy, policy makers, and its partnering organizations to envision and transform health care that meets our vision of “Healthy Lives for All People.” Attendees will be inspired by diverse, interprofessional speakers who will challenge attendees to expand their knowledge and enhance their partnerships to impact policy toward a more just future. Attendees will connect and engage with each other as the Academy celebrates a Fellowship that continuously strives for equity, diversity, and inclusivity.

Abstract Content

The Academy invites authors to submit abstracts that inform the public and the nursing profession by advancing health policy, practice, and science as specified in the [2023-2024 Academy Policy Priorities to Achieve Health Equity](#): Increase Accessibility to All Forms of Health Care, Promote High-Impact Advances in Practice, Innovation, and Science, and Build Capacity to Support Nurses and Other Providers.

Volunteering and Review Timeline

The Academy is seeking Fellows to serve as volunteer abstract reviewers. In this role, you will ensure that the best and most timely research is presented at the 2023 Health Policy Conference. Abstract authors are eligible to serve as reviewers. *Conference reviewers must be Academy Fellows in good standing.*

The abstract review period will take place in **June 2023**. The Academy anticipates assigning each reviewer an estimate of 10-15 abstracts (based on need). All reviews will be completed in the online system Cadmium.

Please complete this [form](#) to indicate your willingness to review abstracts for the 2023 Health Policy Conference. **You will be notified if you are selected to review after the close of abstract submissions in May.** If you have any questions, please contact the Academy’s Program Manager, Harper Garfinkle, at hgarfinkle@aannet.org.
