

SAWC POSTER GRAND ROUNDS

What are the SAWC Poster Grand Rounds?

SAWC Poster Grand Rounds is a walking session, where attendees will have the ability to interact directly with authors over their research. Posters selected for the Grand Rounds session will be staged in a designated 'Grand Rounds Section' of the Poster Hall.

What happens during the SAWC Poster Grand Rounds Session?

During this session, Moderators will be walking with a group of conference attendees reviewing selected posters. Poster presenters/authors for Grand Rounds selected posters are expected to be present during this session to provide a 3-5-minute summary of their project/poster.

Moderators will monitor questions from the audience after each presentation. The interaction is meant to be collegial, not critical, with the goal of attendees learning from the authors experience and project.

Please Note: The Poster Grand Rounds session is for CE credit and will require additional paperwork to be completed by the Primary Author and Presenter upon selection. Failure to complete paperwork prior to the event will result in removal from the Grand Rounds session.

Additionally, commercial interests are not eligible to participate in the SAWC Poster Grand Round. We will remove submissions by a commercial interest from consideration. The ACCME, ACPE, ANCC and CPME defines a "commercial interest" as any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients with the exemption of non-profit or governmental organizations and non-healthcare related companies.
