

## SAWC ORAL ABSTRACTS

The oral abstracts were selected from more than 250 submissions. All submissions considered for oral presentation were blind scored by a panel of judges, all of whom are experts in the wound care field. The highest-scoring submissions were selected for podium presentations. These abstracts will be presented in the below session:

### **Advanced Clinical Practice and Emerging Research**

Saturday, April 29, 2023

5:20 PM – 5:45 PM

Room: TBD

These presentations will provide up-to-date, cutting-edge information that will surely aid you in your daily practice.

All product trade names mentioned by authors are subject to copyright or trademark regardless of the presence of a \* or <sup>TM</sup>.

All authors were instructed to use generic\* product information with recognition to the brand name given at the end of the abstract body; however, all may not have complied. The statements and opinions contained in these abstracts or in the posters as they are presented are solely those of the individual authors and not of HMP Education or the Symposium on Advanced Wound Care.

*Please Note: The Oral Abstract session is for CE credit and will require additional paperwork to be completed by the Primary Author and Presenter upon selection. Failure to complete paperwork prior to the event will result in removal from the Oral Abstract session.*

*Additionally, commercial interests are not eligible to participate in the SAWC Oral Abstract session. We will remove submissions by a commercial interest from consideration. The ACCME, ACPE, ANCC and CPME defines a “commercial interest” as any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients with the exemption of non-profit or governmental organizations and non-healthcare related companies.*
