[Quantitative Sample](#)

[\(opens new window\)](#)

Abstract Competition

Submitted and accepted abstracts/posters/presentations will be eligible based on the degree of excellence as determined by the AAHFN Research Committee. If you DO NOT wish to be considered for an award, please indicate so when completing your submission.

Submission Categories

[Research](#)

Abstracts submitted in this category should report completed research studies relevant to Heart Failure treatment and patient care.

[Practice Improvement](#)

Abstracts submitted in this category should summarize/document a creative and/or novel advance in the care and/or management of patients with heart failure.

Submission Notes

- Accepted abstracts will be published in Heart & Lung: The Journal of Acute and Critical Care
- AAHFN welcomes abstracts previously submitted to other national or international meetings
- Authors may submit an unlimited number of abstracts
- Submitted Abstracts will be peer reviewed
- Abstracts may be accepted for oral or poster presentation

Notifications

Abstract Notifications will be sent indicating the status of acceptance in February.

Assistance
