

## Call for Innovations Instructions

### Deadlines

Submission Site Opens: Monday, October 3, 2022

Assistant Request Deadline: Friday, October 14, 2022

Deadline: Friday, November 4, 2022 at 11:59 pm EST

### Eligibility to Submit an Proposal

The opportunity to submit a proposal is limited to AAHFN members in good standing. Member number required at submission.

### Innovative Practice Models at Your Center

AAHFN Members interested in sharing innovations in care that they are involved in should submit a one-page outline summarizing a problem and their intervention or an innovation developed to address it. Each presenter will have 15 minutes of presentation time. The outline should list the key elements and content that will be discussed during a 10-minute presentation. There will be 5 minutes following the presentation for question and answer from the audience. Topics will vary in focus depending on the issue being addressed. The topics are not limited to what is listed below.

### Selection Process

The AAHFN Annual Meeting Committee will review all proposals, blinded to the member identity, and will consider the merits of the proposal as well as the balance of topics needed within the meeting program when making decisions to accept or reject a proposal..

### Presentation Length

Innovation proposals should be designed for (10) minutes of presentation and (5) minutes for questions.

### Topics of Interest:

- Addressing at risk and complex patients
- Challenges at the bedside
- Clinician resiliency
- Evaluation diagnostics
- Hospital to Home
- Innovative practice models at your center
- New care delivery models
- Patient education
- Patient management strategies
- Post-hospital discharge and follow up
- Re-admissions

- Reducing Hospital readmissions
- Transitions in care
- Tele-monitoring
- Quality Improvement
- Workforce Development

The topics are not limited to what is listed above. Suggested topics welcome.

**Presenters**

The maximum number of presenters per proposal is one.
