

PAS 2026 APRIL 24-27

97TH PEDIATRIC ACADEMIC SOCIETIES MEETING

PAS 2026 Topic Areas

Adolescent Medicine

- General

- Disordered Eating

- Substance Use

Allergy, Immunology, and Rheumatology

Asthma

Breastfeeding/Human Milk

Cardiology

Child Abuse & Neglect

Children with Chronic Conditions

Clinical Bioethics

Critical Care

Developmental and Behavioral Pediatrics

- ADHD/Learning

- Problems/Schools Autism

- Behavior Problems

- Developmental Disabilities

- Other

- Parenting

- Screening & Assessment

Developmental Biology/Cardiac & Pulmonary Development

Emergency Medicine

- Emergency Medicine All Areas

- Emergency Medicine Quality Improvement

Endocrinology

- All areas

- Adrenal

- Bone/Calcium

- Disorders of Sex Development (DSD)

- Genetics/Syndromes

- Growth

- Puberty

- QI/Practice

- Thyroid

- Transgender

- Type 1 Diabetes (T1 DM)

- Type 2 Diabetes (T2 DM)

Environmental Health

Gastroenterology/Hepatology

PAS 2026 APRIL 24-27

97TH PEDIATRIC ACADEMIC SOCIETIES MEETING

General Pediatrics

- General Pediatrics All Areas

- Primary Care/Prevention

Genomics/Epigenomics

Global Neonatal & Children's Health

Health Equity/Social Determinants of Health

Health Services Research

Hematology/Oncology

Historical Perspectives

Hospital Medicine

- Clinical

- Education

- Hospital Medicine Quality Improvement

- Systems/Population-based Research

Hypertension

Immunizations/Delivery

Infectious Diseases

Injury Prevention

Medical Education

- Medical Education: Diversity, Equity & Inclusion

- Medical Education: Faculty Development

- Medical Education: Fellow

- Medical Education: Professional Educator

- Medical Education: Medical Student

- Medical Education: Resident

- Medical Education: Simulation & Technology Mental Health

Neonatology (**See Neurology for those topics**)

- Neonatal <25 weeks

- Neonatal Bilirubin Metabolism

- Neonatal Clinical Trials

- Neonatal Fetal Nutrition & Metabolism

- Neonatal Follow-up

- Neonatal General

- Neonatal GI Physiology & NEC

- Neonatal Hematology & Transfusion Medicine

- Neonatal Hemodynamics and Cardiovascular Medicine

- Neonatal Infectious Diseases/Immunology

- Neonatal Nephrology/AKI

- Neonatal Pulmonology: Basic/Translational Science

- Neonatal Pulmonology: Clinical Science

- Neonatal Quality Improvement

- Neonatal/Infant Resuscitation

PAS 2026 APRIL 24-27

97TH PEDIATRIC ACADEMIC SOCIETIES MEETING

Neo-Perinatal Health Care Delivery: Epidemiology/Health Services Research

Neo-Perinatal Health Care Delivery: Practices and Procedures

Nephrology

Nephrology: Basic

Nephrology: CKD

Nephrology: Clinical

Nephrology: Dialysis

Nephrology: Translational

Nephrology: Transplant

Neurology

Neonatal Neurology: Clinical Research

Neonatal Neurology: Pre-Clinical Research

Pediatric Neurology

Neurodevelopment

Newborn Care

Obesity

Palliative Care

Pediatric Nutrition

Pediatric Therapeutics and Pharmacology

Medication Safety Research

Medication Quality Improvement

Public Health & Prevention
