PRIVACY NOTICE

Skip Form

Please carefully read the text below and then indicate your consent at the bottom of the page.

Summary

We are collecting your personal data on behalf of Association for Talent Development to allow them to manage the submission, review, selection, and scheduling process for your submissions, awards, or grants through our platform. We may share your information with Association for Talent Development's vendors related to registration, membership, and 3rd party analytics services.

Full Text (version 2680-25166-2335)

1. What we need
Our Personal Data Protection Policy governs the use and storage of your data. You can see our Privacy Policy at https://www.gocadmium.com/privacy-policy. The terms personal data and personally identified data are used interchangeably. Association for Talent Development is a Controller of the personal data you (data subject) provide us. Cadmium is its Processor. The following types of personal data we collect from you on behalf of a Controller, may include, however are not limited to: Full name, telephone number, position, organization, credentials, membership, member number, login name, department, role, biography, and digital identity (photo).

2. Why we need it
We need your personal data in order to allow the Controller to manage the submission, review, scheduling or administration of your information through our software systems.

3. What we do with it
Your personal data is processed on AWS and Rackspace servers located in the United States. As requested by Association for Talent Development, we may share your information with Association for Talent Development's vendors related to registration, membership, and 3rd party analytics services.

4. How long we keep it
According to our Data Retention Policy, we will keep your personal data for a period of 6 years from the last date we process your data on behalf of the Controller. After this period, your personal data will be irreversibly destroyed or anonymized. Any personal data held by us for marketing and service update notifications will be kept by us until such time that you notify us that you no longer wish to receive this information.

5. What are your rights?
Should you believe that any personal data we hold on you is incorrect or incomplete, you have the ability to request to see this information, rectify it or have it deleted, by contacting the Controller.

Consent

☐ I have reviewed the privacy notice above and consent to the processing of my data. I am aware and I was informed that I may withdraw my consent at any time by contacting the Data Controller.

PROPOSALS (You have 1 complete proposal, 0 incomplete proposals, and 1 withdrawn proposal)

OrgDev is a three-day learning experience held in Indianapolis, Indiana from September 29 - October 1. During this time, 300+ individuals will come together to learn and network with their peers through educational sessions on topics such as culture, talent strategy and management, leadership and employee development, leveraging AI, building better strategic business partnerships, and more. OrgDev is designed for individuals charged with developing people, organizational culture, and talent management who are focused on learning how to humanize their OD programs and create a productive and engaged workforce.

What we're looking for in OrgDev proposals
We're accepting proposals for sessions that strongly connect to one of the five key topics of the event below. The core theme of this year's conference will be focused on future-proofing your organization. Please keep this in mind while crafting your submissions on the topics below:

- **Culture and People**: Crafting practices, policies, attitudes, and behaviors that create a healthy culture and productive work environment.
- **Leadership Development Programs**: Designing leadership development programs that leverage proven practices and current trends to engage, grow and prepare the next generation of talent.
- **Leveraging AI and Emerging Technologies**: Exploring the skills, strategy and ethical standards needed to leverage AI and the newest technologies in your organization.
- **Strategic Business Partner**: Partnering with senior leadership and advising on strategic initiatives that bridge organizational gaps and support organizational goals.
- **Talent Strategy and Management**: Developing practices that build an organization's engagement, capability, and capacity through the implementation and integration of talent acquisition, employee experience, retention, and deployment processes aligned to organizational goals.

This year, there are two session formats you can choose from:

- **Industry Insights**: These more traditional, lecture-style, **60-minute sessions** dive deep into topics, share practical ideas, and provide insights for attendees to apply on-the-job immediately. There may be interactivity in these sessions, but the majority of the time is speaker-focused.
- **Knowledge in Action**: Are you planning a hands-on, workshop-style session where attendees will spend a significant portion of the time on discussions and activities? Propose it as a Knowledge in Action session. These interactive 60-minute sessions allow attendees to apply, experiment, and refine skills in real time.

This year's event will take place September 29 - October 1, 2026, in Indianapolis, Indiana and we'd love to have you participate.

Presenting at OrgDev is an opportunity to build your professional reputation and use your valuable insights to help others in the OD, TD, HR and L&D community.

To make it easier for you to be here, we offer one complimentary registration for the conference and one nights' stay at the conference hotel for up to two session speakers.

Ready to start your proposal? Select "Click here to begin a new proposal" button below. And if you have questions please don't hesitate to contact speakers@td.org.

Deadline to submit is April 1, 2026.

Once a proposal has been submitted and marked "complete," you will receive an email confirmation. If you do not receive an email confirmation, your proposal was not submitted or marked complete.
