

2026 Attendee Registration Support Terms & Conditions

The Lifesavers Conference is offering registration support in the form of a reimbursement of \$650 to eligible applicants.

Eligibility Terms

- Employees of non-profit organizations, state/local governments, independent advocates, or students demonstrating a clear financial need.
- Lifesavers does not provide support to private companies or national traffic safety organizations.
- Only one reduced registration per organization at the same location.
- Reduced registration funding is non-transferable.
- Exhibitors and presenters are not eligible. Presenters should instead apply for [speaker travel expense support](#).
- Priority will be given to those that haven't previously received registration support.

Application Process

- Applications will be accepted until **February 15, 2026** or until funding is exhausted. If funding exists, applications will continue to be considered after that date. Applications will be reviewed by the committee, and you will be notified of your approval within three weeks of submission.
- The link to the application can be found on the [website registration](#) page, or click [HERE](#).
- If approved, you will receive a \$650 check from Lifesavers after the conference. Checks will be available on site for pick up Tuesday, April 21, 2026. You must register and pay your conference fee before you are reimbursed.

Conditions

- You are required to stay at a Conference hotel under the Lifesavers room block. Visit the Lifesavers [Website Hotel/Travel Page](#) and click on the hotel reservation button of your choice.
- You must attend the entire two and a half-day conference. View the [conference schedule](#).
